Project title: High Clarity Speaker System

Client &/Advisor: Dr. Louis Banitt, M.D. / Prof. Gary Tuttle

Team Members/Role: Quinn Rayner, Nicholas Bramanti, Arifi Salim, Andrew McNeil

○ **Weekly Summary (Short summary about what you did this week)**

With our transmitter working, and closing in on spring break we met to discuss where we currently are, and where we need to be once we return from break. We have decided on a schedule moving forward that should allow us to finish the project before the end of the semester.

○ **Past week accomplishments (please describe as what was done, by whom, when)**

- Quinn Rayner: researching code for receiver
- Nichohlas Bramanti: researching code for the receiver
- Arifi Salim: working on functional design, researching improvements
- Andrew McNeil: writing code for the transmitter, wiring system

○ **Individual contributions**

<u>NAME</u>	<u>Hours this week</u>	<u>HOURS cumulative</u>
